## Summer Tournaments

As some of you are aware the korfbal season is very shortly coming to an end, however there are tournaments throughout the summer that Invicta could enter.

These tournaments are an opportunity for a fun day out that all the family can be a part of. They are not competitive and are a chance for all abilities to take part and just enjoy the spirit of the game.

Whether you have been playing korfbal for years, or would like a taste of the sport, all are welcome at these events.

If this is something you would like to take part in, please let an Invicta coach know!

## Interested in Korfbal and want to have a go yourself?

We are looking for new players to join our club at all age groups from Under 9 to adults.

### What is korfbal?

Korfbal is a fast, dynamic sport. Two teams of mixed sex compete against each other to score a basket at opposing ends of the court.

Players cannot run with the ball, contact each other or dribble the ball. They must get free from their personal defender in order to shoot the ball because that defender is actively trying to defend their shot.

The principles are similar to those of netball and basketball but the unique defending and mixed sex rules make for a much more varied game at a much faster pace.

### Interested?!?

Then why not join us! Come along to one of our training sessions and see what you think. We train on a Thursday at Greenacre School in Walderslade.

Under 9/11	6.30pm – 7.30pm
Under 13/16	7.00pm – 8.00pm
Adults	7.30pm – 9.30pm
